With this screening we will observe

National Day of Remembrance of Poles Who Saved Jews Under German Occupation

which falls on March 24 and commemorates the death of the Ulma family from Markowa in the Podkarpacie region, executed 80 years ago by German gendarmes for hiding Jews. The day honors the memory of all Poles who, in spite of great danger, brought help to the Jewish population.

This event will be an opportunity to pay tribute to people from all over the world who risked their lives during World War II to save their Jewish friends and neighbors.
